ON TAP?

when it comes to beer, the fresher the better, and that means no bottles. we're a proud freehouse, so our tap selection changes more often than australia changes prime ministers. please check at the bar for the current offering, or ask us for a recommendation. if in doubt or not into the crafty stuff, our very own Gunnery Lager is a certified crowd pleaser. we also have a hand pull & real cask ale, served at 10° sessionable, lower alcohol and shandy options are available

OUR STORY

FANTAIL & TURTLE is a testament to enduring friendship. Travis (Fantail) and his best mate Troy (Turtle) were young army officers. they shared adventures, mischief and a lot of laughter; there for each other in the best of times and the most challenging; present both at weddings and the births of each others children.

sadly in 2005, Troy found out he was dying.

he passed in 2006 leaving a wife, twin boys, and a bereft mate.

his final gift to Travis and his wife Sue was a large Pikorua carving symbolising the bond between two people, and now worn proudly on our backs and functioning as the ampersand in our logo.
